

WINE LIST

THE CROMWELL ARMS

ABOUT

HISTORY

The Cromwell Arms shares its name with some iconic people and features of British history. An example is Oliver Cromwell, an English military and political leader who later became Lord Protector of the Commonwealth of England. Another one is the Cromwell Tank, which is a British WWII tank. Could this be the inspiration behind the name? We can't say for sure. However, whether it's coincidental or not, we are proud of the history that our name invokes.

Romsey itself has been home to a number of prominent figures in history. The list includes William Petty, a philosopher and economist of the 17th century, the 19th century British Prime Minister Lord Palmerston and Louis Mountbatten, a 20th century soldier and statesman.

OUR WINE LIST

In addition to a comprehensive main list, we also offer a regularly changing selection of wine by the glass via Coravin. A revolutionary device that allows us to extract wine from a bottle without the need to remove the cork, the Coravin opens up a whole new world of possibility by the glass.

Each month we also complement our list by adding a number of exciting, fine, or unusual bottles in our 'Cellar Select' list. For our latest offering, please see this month's Cellar Select insert.
